PEDIATRIC DENTISTRY**

PRE-ANESTHESIA INSTRUCTIONS FOR PATIENTS

INFORMED CONSENT DISCUSSION

Patient's Parent/Legal Guardian: initials required

EATING OR DRINKING

_____ For General Anesthesia it is extremely important that patients have an empty stomach. For this reason children should not have anything to eat for eight (8) hours before their appointment.

CHANGE IN HEALTH

_____ A change in health, especially the development of a cold, cough or fever, is extremely important. Please notify us if there is any change in the health of the child.

MEDICATIONS

_____ Prescription medication should be taken as scheduled unless previously indicated by the anesthesiologist and may be taken only with a sip of water.

CLOTHING

_____ Short sleeves are advised and it is suggested that loose fitting pants be worn as well as comfortable shoes. Do not wear any jewelry, leave all valuables at home. Please bring a change of clothing and a blanket.

SCHEDULED APPOINTMENT

_____ Please be informed that this is not a regular dental appointment. Expect to be here anywhere between Two (2) to four (4) hours. If you are not able keep your appointment for any reason we ask that you call us as soon as possible. **We appreciate a 72 hour notice.**

If you have any questions, please call our office at (714)202-7645.

I have been given pre-op instructions for my child and understand the procedures for this appointment.
